Me, My Brain and I invites us to contemplate our own brains, and to consider how they make us who we are and what makes us 'us'. Here's the outline of a brain, get creative and design your own brain based on what your brain means to you.

Submit your brain via twitter or instagram by tagging **@ParkinsonsUK** with the hashtag **#MeMyBrainandI** or via email **events@parkinsons.org.uk**, for your chance to be featured as part of our campaign on the Piccadilly Lights!
